

# Join a Committee

Committees are a vital function of our Chamber. Make your membership more meaningful by getting involved. Become an active member of a committee!

## **Women in Business Network**

*Open to all Chamber members*

A community designed to connect, support, and celebrate women across South Salt Lake. Through networking, education, and collaboration, Women in Business creates opportunities for women to build relationships, share knowledge, and grow together.

## **Women in Business Leadership Committee**

*Application-based leadership opportunity*

A dedicated group of selected leaders who help shape the vision, programming, and impact of Women in Business. Committee members lead initiatives, plan events, welcome members, and create meaningful opportunities for connection and growth.

## **Business & Education Committee**

*Investing in our future workforce*

Connecting businesses, educators, and community partners to support workforce development, career readiness, and opportunities that prepare the next generation for success.

## **Downtown Collective**

*Appointed leadership group*

A collaborative group of key stakeholders working together to support the growth, connection, and long-term vision of Downtown South Salt Lake.

## **Chamber Ambassadors & Welcoming Committee**

*Community connectors and member champions*

Helping businesses feel welcomed and connected from day one. Ambassadors support member engagement, welcome new businesses, build relationships, and represent the Chamber throughout the community.

## **Small Business Committee**

*Supporting local businesses*

A group focused on understanding and supporting the needs of small businesses through resources, education, connections, and opportunities that help businesses grow and thrive.
